ABOUT THE INSTITUTE

Sinhgad Technical Education Society was established in the year 1993 under the able guidance of Prof. M. N. Navale with the aim of imparting quality education in the field of Engineering, Management, Pharmacy, Medical, Physiotherapy, Nursing, Architecture, Hotel Management and School Education. At present, Sinhgad Technical Education Society has 13 campuses having 110 institutes and celebrating 25 years of academic excellence.

STES's Sinhgad College of Engineering, Pune (SCOE) established in 1996, has become synonymous with quality engineering education. Presently SCOE offers courses in E&TC, Computer, IT, Mechanical, Chemical, Civil, Biotechnology, Production engineering and MBA. The courses are approved by All India Council of Technical Education (AICTE), affiliated to Savitribai Phule Pune University. Institute is Accredited 'A' Grade by NAAC. The institute conducts 14 post graduate programs and Ph. D. research center for 4 engineering disciplines.

ABOUT THE DEPARTMENT

Department of Electronics and Telecommunication has one undergraduate program and four post graduate programs. It is accredited twice by NBA. The department also has a research center affiliated to SPPU. Liaison with prominent industries like ACTEL INC. (USA), KPIT, Texas Instruments, ST Microelectronics, Infosys, Intel, Nicrome, etc.

OBJECTIVE OF CONFERENCE

The conference greatly encourages research scholar to present new ideas and provide a platform of computation that may be in the broad spectrum of area mentioned in the list of topics. The Conference NCPC-2018 is expected to attract delegates from all over the country and will consist of very high quality technical sessions .

SCOPE

Conference provide a platform to students and research scholar for publishing their unpublished work in conference proceeding with ISBN number by CiiT international journal and inclusion in online digital library with Google Scholar indexing. Also the extended version of all accepted papers of the conference will be published in reputed journals of CiiT having good impact factor.

The broad area of conference includes, but not limited to

- Signal and Image of Processing
- Biomedical Signal Processing
- Artificial Intelligence
- Soft computing
- Embedded and VLSI
- Communication
- Multidisciplinary aspects
- Computer Graphics/Computer Vision
- Circuits and Systems
