About STES

Sinhgad Technical Education Society (STES) was set up in August 1993, under the able and dynamic leadership of Prof. M.N. Navale with an objective of providing quality education in the field of Engineering, Dentistry, Management, Computer, Pharmacy, Architecture, Hotel Management and the basic school education from kindergarten onwards. There are 100+ institutes under the aegis of STES offering full-fledged school education, diploma, Graduation, Post Graduation courses and Ph.D. programs in various branches of Engineering, Science and Management at twelve educational campuses, ideally located in pollution free lush green and picturesque environment conducive for learning. (www.sinhgad.edu)

About SIT

Sinhgad Institute of Technology (SIT), Lonavala since its establishment in 2004 is involved in practicing teaching- learning methodologies of excellence to deliver quality engineering education for students all over India. The institute is housed in beautiful surroundings, fully residential campus of 200 acres off Pune-Mumbai expressway at Lonavala. Academic discipline with space for individual innovations, emphasis on life skill development of students, 'willing to work' team of faculty members and initiative for industry interface, have been the silent activities of the Institute.

How to reach SIT ?

About ISTE

The Indian Society for Technical Education (ISTE) is a non-profit making society with a view to enlarging its activities to advance the cause of technical education. The key objective of the ISTE is to assist and contribute to the education and development of top quality professional engineers needed by industry and other organizations. At present ISTE has very large and effective membership base, consisting of more than 1,02,985 Life Members 5,54,094 Student Members, 2,410 Institutional Members (Including IIT, IIS, NIT and other leading technical institutions), 1214 Faculty Chapters, 1322 Students Chapters, 17 Sections throughout the country. It is well associated with the Ministry of HRD, AICTE/DST/MIT/State Governments etc. for the programs related to Technical Education.

About Convention

The Convention is expected to have a participation of faculty members of Technical Education Institutions from all states of the country. The theme of the convention is '**Recent Innovative Trends in Science & Technology**'. The authors from industry, academia and research community may submit the papers in various tracks not limited to Communications, Sensor Network, Disasters management, Data Analytics, Engineering Sciences, Smart Grid & Power Systems, Smart City, Digital India, Security etc. Its outcomes are aimed at giving directions to the policy makers & educators.

Important Dates:

Last Date of Paper - Submission	: January 25, 2018
Confirmation Date	: February 05, 2018
Camera Ready Paper	: February 10, 2018
Date of Convention	: February 17, 2018
