World AIDS Day, celebrated on December 1st since 1988, unites people globally to fight HIV, support those affected, and commemorate those who have died. The 2023 theme, "Let Communities Lead," emphasizes community-led progress in HIV response. Events held on December 2nd, 4th, and 12th aimed to raise awareness and knowledge about HIV/AIDS among students. Activities included a NARI visit, debate competition, test of knowledge, rangoli, and interaction sessions with sex workers and social workers, providing informative and engaging experiences for participants.
