ABOUT THE INSTITUTE:

Prof. M. N. Navale has established Sinhgad Technical Education Society (STES) in the year 1993 with the aim of imparting quality education in the field of Engineering, Management, Computer, Pharmacy, Medical Education, Physiotherapy, Nursing, Architecture, Hotel Management and basic school education. At present, Sinhgad Technical Education Society spreads over 13 Campuses, having more than 125 Institutes. Nearly 90,000 students are taking quality education under the guidance of well qualified academic staff.

STES's Smt. Kashibai Navale College of Engineering (SKNCOE) has become synonymous with Quality Engineering Education. SKNCOE was established in the year 2001 offering degree courses in Computer, E & TC, IT, Mechanical. All the above courses are approved by All India Council of Technical Education (AICTE), New Delhi and affiliated to Savitribai Phule Pune University. SKNCOE has Research Center to pursue Ph.D. in Computer Engineering, along with post graduation courses in CE, E & TC and IT. The Institute is Accredited by NAAC

ABOUT THE DEPARTMENT:

The Computer Engineering Department started in the year 2001, with an intake of 60 which has increased to current intake of 300. The Department has well qualified and experienced faculty and well equipped laboratories, Classrooms and Library for imparting the course contents and the knowledge beyond.

ABOUT THE CONFERENCE:

International conference broadly addressing Internet of Things, Next generation networks and Cloud Computing. The conference will address the trends, challenges and future roadmaps within a conglomerate of existing, novel wireless technologies and recent advances in information theory and its applications. This conference will feature a comprehensive technical program including special sessions and short courses.

ICINC-2019 is inviting, soliciting previously unpublished and high quality research papers addressing research challenges and advances in the topic.

Key Highlights:

1. Best paper award.
2. Technical sessions comprising of various topics related to Internet of Things, Next generation networks and Cloud Computing.
3. Keynotes and Plenary talks by renowned researchers from worldwide.

Call for Papers:

Research scholars, UG & PG students of Engineering, MCA, Bio-informatics and other computer / IT Engineering related departments

Topics of interest include, but are not limited to:

1. Internet of Things
2. Next Generation Networks
3. Cloud Computing
4. Data mining and Information Retrieval
5. Network and Cyber Security
6. Image and Signal Processing
7. High Performance computing
8. Machine learning.

Selected papers will be published in:

1. **IJCA "International Journal of computer application"** IJCA is indexed in : Google Scholar, Informatics, NASA ADS (Harvard Univ.) CiteSeer
2. Extended version of selected papers will be published in **IGI Global Journal "International Journal of Rough Sets and Data Analysis (IJRSDA)** IGI Global is indexed in : ACM digital library, DBLP, Google Scholar

Important Dates:

Last date for paper submission :16th Nov 2018
Notification for acceptance :24th Dec 2018
Camera ready Paper submission :14th Jan 2019
Last date for registration :25th Jan 2019
