'EMERGING CHALLENGES: A BREAKTHROUGH TO NURSING EXCELLENCE'

INTRODUCTION

Sinhgad Technical Education Society is a premier educational establishment dedicated to quality education from over last two decades established in Pune Maharashtra in the year 1993 by Hon'ble President, Prof. M.N. Navale. STES believes in holistic development of the students and teachers it strives to achieve this by imbuing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity and technology transfer. Our mandate is to generate, preserve and share knowledge for developing the vibrant society. Sinhgad college of nursing takes the pride towards the same since 2004 been the springboard for health sciences education in the organization.

ABOUT CONFERENCE

Nurses are the key caregivers in hospitals, they can significantly influence the quality of care provided to the patients and ultimately enhances the treatment and patient outcomes. While myriad forces are changing the face of contemporary healthcare, one could argue that nothing will change the way nursing is practiced more than current advances in technology. Indeed, technology is changing the world at warp speed and nowhere is this more evident than in healthcare settings. This conference will identify emerging technologies that will change the practice of nursing and make us competent to acquire, use, and integrate in innovating daily patient care. While practicing each day nurses typically encounter ethical issues in three realms of ethics that impact policy or society as a whole; dilemmas that arise within organizations; and those that affect patient care. The conference will guide the nurse researchers, policy makers, educators, consultants, administrators, ethicists, advanced practice nurses, and clinical nurses to tackle ethical problems every day. The nurse is an important member of health team which demands her to be co-operative and harmonious. Thus the conference will mentor each nurse to shape their minds for prosperous ever transforming future healthcare.

OBJECTIVES:

- Discuss new challenges and opportunities in nursing profession.
- Apply the emerging technologies in nursing practice in India.
- Discuss competency in managing nursing practice and nursing ethics.
- Exhibit nursing excellence through professional decorum.
- Practice mentorship in shaping the future transforming healthcare.

Research Poster Presentation (Registration Mandatory)

- Size: Maximum 3 X 5 foot.
- Material: Flex/ Chart Paper.
- Will be displayed on the day of conference.
